Dear Supervisors:

**APPROVAL TO RENEW 27 MENTAL HEALTH SERVICES

FOR FISCAL YEARS 2004-2005, 2005-2006, AND 2006-2007  
AND  
APPROVAL OF REQUEST FOR APPROPRIATION ADJUSTMENT  
FOR FISCAL YEAR 2004-2005  
(ALL SUPERVISORIAL DISTRICTS)  
(4 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve the Mental Health Services Contract Allowable Rate Fee-For-Services (FFS) Medi-Cal Psychiatric Inpatient Hospital Services Agreement format, substantially similar to Attachment I.
2. Delegate authority to the Director of Mental Health or his designee to execute the renewal of 27 Mental Health Services Contract Allowable Rate FFS Medi-Cal Psychiatric Inpatient Hospital Services Agreements upon Board approval, in accordance with the listing in Attachment II. These agreements specify contract allowable rates per day for acute psychiatric inpatient hospital services and administrative day services, and are funded by approximately 50 percent Mental Health Managed Care State Allocation, and approximately 50 percent Federal Financial Participation (FFP) Medi-Cal revenues. The term of each Agreement will be effective January 1, 2005 through June 30, 2005 including two (2) automatic one-year renewal periods.
3. Delegate authority to the Director of Mental Health or his designee to execute future new agreements, substantially similar in format to Attachment I, with qualified FFS

Medi-Cal psychiatric certified inpatient hospitals who conform to all applicable Los Angeles County (LAC) DMH policies and procedures for FFS Medi-Cal Acute Inpatient Hospital Services.

4. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute amendments to the agreements provided that: 1) the contract allowable rates under each Agreement for each fiscal year shall not exceed an increase of 20 percent; 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer (CAO) or their designee is obtained prior to any such Amendment; 5) the parties may, by written Amendment, mutually agree to reduce programs or services without reference to the 20 percent limitation; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.
5. Approve the Request for Appropriation Adjustment (Attachment III) in the amount of \$8,000,000, fully funded by the Mental Health Managed Care State allocation, \$4,000,000, and FFP Medi-Cal revenue, \$4,000,000. The increase in appropriation will provide spending authority for FFS contract providers in FY 2004-2005.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

Board approval is required for the renewal of these 27 Mental Health Services Contract Allowable Rate FFS Medi-Cal Psychiatric Inpatient Hospital Services Agreements, as these agreements will expire December 31, 2004. Board approval is also required for delegation of authority to the Director of Mental Health or his designee to execute these agreements and future new agreements and amendments with FFS Medi-Cal psychiatric inpatient hospitals.

The renewal of these 27 FFS Medi-Cal agreements will allow for uninterrupted, medically necessary acute psychiatric inpatient hospital services and administrative day services to severely mentally ill clients who reside throughout the Los Angeles County (LAC).

#### **Implementation of Strategic Plan Goals**

The recommended Board actions are consistent with the principles of the Countywide Strategic Plan Organizational Goal No. 3, "Organizational Effectiveness." Qualified FFS

Medi-Cal psychiatric hospitals will provide twenty-four hour acute psychiatric inpatient hospital services and administrative day services to Medi-Cal beneficiaries.

### **FISCAL IMPACT/FINANCING**

There is no increase in net County cost.

These agreements do not contain a maximum contract amount but specify contract allowable rates per day for acute psychiatric inpatient hospital services and administrative day services. All services provided are subject to the Treatment Authorization Request review process prior to authorization of payment.

All clients served by the FFS Medi-Cal psychiatric inpatient hospitals are Medi-Cal beneficiaries. The projected expenditure for FFS Consolidation is \$88,765,000 for FY 2004-2005, which exceeds the budgeted amount of \$81,209,000 by \$7,556,000. The appropriation adjustment in the amount of \$8,000,000 will provide the spending authority for the FFS contract providers annual expenditures. This appropriation adjustment is fully funded by the Mental Health Managed Care State allocation, \$4,000,000, and FFP Medi-Cal revenue, \$4,000,000.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Chapter 633 (AB 757) of statutes of 1994 authorizes the transfer of State funding for FFS Medi-Cal psychiatric inpatient hospital services from the State Department of Health Services to the State Department of Mental Health. On December 20, 1994, your Board approved LAC's participation in FFS Medi-Cal psychiatric inpatient hospital services consolidation and the transfer of SGF Medi-Cal match dollars to the County for payment of services and administration of the program.

The Mental Health Services Contract Allowable Rate FFS Medi-Cal Psychiatric Inpatient Hospital Services Agreements are with 27 Medi-Cal certified hospitals that provide acute psychiatric inpatient services and administrative day services to the residents of LAC. Furthermore, the contractor will not utilize or otherwise arrange for mobile 5150 assessment personnel or processes outside the confines of the Contractor's facility without the written consent of DMH's Director or his designee.

Attachment I is the FFS Medi-Cal Agreement format, which has been updated to reflect new or revised mandated provisions required in all County contracts. Attachment II specifies the Contractors, services to be provided, Supervisorial Districts of service providers, terms, and contract allowable rates for these agreements. Attachment IV is

the Los Angeles County Community Business Enterprise (LAC/CBE) Program, Firm/Organizational Information form.

Clinical and administrative staff of DMH are assigned to supervise and administer these agreements, evaluate programs to ensure that quality services are being provided to clients, and ensure that Agreement provisions and departmental policies are being followed.

The Mental Health Services Contract Allowable Rate FFS Medi-Cal Psychiatric Inpatient Hospital Services Agreement format has been approved as to form by County Counsel. The CAO and DMH's Fiscal and Program Administrations have reviewed the proposed actions.

### **CONTRACTING PROCESS**

Board approval will authorize DMH to renew 27 agreements with existing FFS Medi-Cal Contractors as listed in Attachment II.

Upon Board approval, the Director of Mental Health or his designee will have delegated authority to execute a Mental Health Services Contract Allowable Rate FFS Medi-Cal Psychiatric Inpatient Hospital Services Agreement with 27 qualified FFS Medi-Cal psychiatric inpatient hospitals, as listed in Attachment II, and other qualified FFS Medi-Cal psychiatric certified inpatient hospitals who conform to all applicable LAC-DMH policies and procedures for FFS Medi-Cal Acute Inpatient Hospital services.

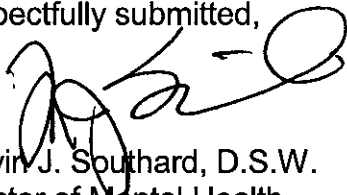

### **IMPACT ON CURRENT SERVICES**

The renewal of these 27 agreements will allow for uninterrupted, medically necessary acute psychiatric inpatient hospital services and administrative day services to severely mentally ill clients who reside throughout the LAC.

**CONCLUSION**

The Department of Mental Health will need one (1) copy of the adopted Board's action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,

#### PREAMBLE

For nearly a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- |                   |                         |
|-------------------|-------------------------|
| ➤ Responsiveness  | ➤ Integrity             |
| ➤ Professionalism | ➤ Commitment            |
| ➤ Accountability  | ➤ A Can - Do Attitude   |
| ➤ Compassion      | ➤ Respect for Diversity |

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children's and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;

- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy – in isolation – can achieve the County’s outcomes of well – being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County’s health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social service systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no “wrong door”: wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of

1 results accountability across systems. Specifically, any strategy designed to improve the  
2 County human services system for children and families should ultimately be judged by  
3 whether it helps achieve the County's five outcomes for children and families; good health,  
4 safety and survival, economic well-being, social and emotional well-being, and education  
5 and workforce readiness.

6 The County, its clients, contracting partners, and the community are working together to  
7 develop practical ways to make County services more accessible, customer friendly, better integrated,  
8 and outcome-focused. Several departments have identified shared themes in their strategic plans for  
9 achieving these goals including: making an effort to become more consumer/client-focused; valuing  
10 community partnerships and collaborations; emphasizing values and integrity; and using a strengths-  
11 based and multi-disciplinary team approach. County departments are also working to provide the Board  
12 of Supervisors and the community with a better understanding of how resources are being utilized,  
13 how well services are being provided, and what are the results of the services: is anyone better off?

14 The County of Los Angeles health and human service departments and their partners are  
15 working together to achieve the following *Customer Service And Satisfaction Standards* in support of  
16 improving outcomes for children and families.

17 *Personal Service Delivery*

18 The service delivery team – staff and volunteers – will treat customers and each other with  
19 courtesy, dignity, and respect.

1 The basis for all County health and human services contracts is the provision of the highest  
2 level of quality services that support improved outcomes for children and families. The County and its

35 California Fair Employment Practices Commission or the Federal Equal Employment Opportunity

4 payment of all such retained losses and related costs, including, but not limited to, expenses or fees, or

13 Agreement. County, at its sole option, may obtain damages from Contractor resulting from said  
14 breach. Alternatively, County may purchase such required insurance coverage, and without further

29 Contractor without the prior written consent of County as provided in this Paragraph 27. Any attempt  
30 by Contractor to subcontract any performance, obligation, or responsibility under this Agreement,  
31 without the prior written consent of County, shall be null and void and shall constitute a material  
32 breach of this Agreement. Notwithstanding any other provision of this Agreement, in event of any  
33 such breach by Contractor, this Agreement may be terminated forthwith by County. Notwithstanding  
34 any other provision of this Agreement, the parties do not in any way intend that any person or entity  
35 shall acquire any rights as a third party beneficiary of this Agreement.

D. Contractor shall indemnify and hold harmless County, its officers, employees, and agents, from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and legal fees, arising from or related to Contractor's use of any subcontractor, including any officers, employees, or agents of any subcontractor, in the same manner as required for Contractor, its officers, employees, and agents, under this Agreement.

E. Notwithstanding any County consent to any subcontracting, Contractor shall remain fully liable and responsible for any and all performance required of it under this Agreement, and no subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not be construed to limit in any way any Contractor's performance, obligations, or responsibilities, to County, nor shall such approval limit in any way any of County's rights or remedies contained in this Agreement. Additionally, County approval of any subcontract shall not be construed in any way to constitute the determination of the allowability or appropriateness of any cost or payment under this

2 F. In the event that County consents to any subcontracting, such consents shall be  
3 subject to County's right to give prior and continuing approval of any and all subcontractor personnel

8 Contractor or any subcontractor, for any liability, damages, costs or expenses arising from or related to  
9 County's exercise of such right.

10 G. In the event that County consents to any subcontracting, such consent shall be subject  
11 to County's right to terminate, in whole or in part, any subcontract at any time upon written notice to  
12 Contractor when such action is deemed by County to be in its best interest. County shall not be liable  
13 or responsible in any way to Contractor, to any subcontractor, or to any officers, employees, or agents  
14 of Contractor or any subcontractor, for any liability, damages, costs, or expenses arising from or related  
15 to County's exercise of such right.

16 H. In the event that County consents to any subcontracting, each and all of the provisions  
17 of this Agreement and any amendment thereto shall extend to, be binding upon, and inure to the  
18 benefit of, the successors or administrators of the respective parties.

19 I. In the event that County consents to any subcontracting, such consent shall apply to  
20 each particular subcontract only and shall not be, or be construed to be, a waiver of this Paragraph 27  
21 or a blanket consent to any further subcontracting.

22 J. In the event that County consents to any subcontracting, Contractor shall be solely liable  
23 and responsible for any and all payments and/or other compensation to all subcontractors and their  
24 officers, employees, and agents. County shall have no liability or responsibility whatsoever for any

(2) If, as determined in the sole judgment of County, Contractor fails to perform and/or comply with any of the other provisions of this Agreement, or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either of these two circumstances, does not cure such failure within a period of five days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

B. The rights and remedies of County provided in this Paragraph 33 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

34. TERMINATION FOR IMPROPER CONSIDERATION: County may, by written notice to

Contractor, immediately terminate the right of Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by the Contractor.

Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861.

Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

35. SEVERABILITY: If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

36. CAPTIONS AND PARAGRAPH HEADINGS: Captions and paragraph headings used in this Agreement are for convenience only and are not a part of this Agreement and shall not be used in construing this Agreement.

37. ALTERATION OF TERMS: No addition to, or alteration of, the terms of the body of this Agreement or the Service Exhibit(s) hereto, whether by written or oral understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Agreement which is formally approved and executed by the parties in the same manner as this Agreement.

38. ENTIRE AGREEMENT: The body of this Agreement; Service Exhibit(s) A, B and C, attached hereto and incorporated herein by reference; Contract Manual, including any amendments thereto as approved in writing by Director, which are hereby incorporated herein by reference but not attached; and Contract Package for this Agreement, as approved in writing by Director, including any addenda thereto as approved in writing by Director, which are hereby incorporated herein by reference but not attached; shall constitute the complete and exclusive statement of understanding between the parties which supersedes all previous agreements, written or oral, and all other communications between the parties relating to the subject matter of this Agreement. In the event of any conflict or inconsistency in the definition or interpretation of any word, responsibility, or schedule, or the contents or description of any service or other work, or otherwise, between the body of this Agreement and the other referenced documents, or between such other documents, such conflict or inconsistency shall be resolved by giving precedence first to the body of this Agreement and then to such other documents according to

The rights and remedies set forth in this Paragraph 39 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

40. BENEFICIARY ELIGIBILITY: This Agreement is not intended to change the determination of Medi-Cal eligibility for any Beneficiary in any way. However, in the event that the California Legislature or United States Congress enacts a statute which redefines Medi-Cal eligibility so as to affect the provision of Psychiatric Inpatient Hospital Services under this Agreement, then the new definition shall apply to this Agreement.

41. EMPLOYMENT ELIGIBILITY VERIFICATION: Contractor warrants that it fully complies with all Federal statutes and regulations regarding employment of aliens and others and that all its employees performing services hereunder meet the citizenship or alien status requirements set forth in Federal statutes and regulations. Contractor shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal statutes and regulations as they currently exist and as they may be hereafter amended. Contractor shall retain all such documentation for the period prescribed by law. Contractor shall indemnify, defend, and hold harmless County, its officers and employees from and against any employer sanctions and any other liability which may be assessed against Contractor or County in connection with any alleged violation of any Federal statutes or regulations pertaining to the eligibility for employment of persons performing services under this Agreement.

42. If Contractor or any of its employees is convicted of or pleads nolo contendere to any criminal drug statute violation occurring at any such facility or work site, then Contractor, within five days thereafter, shall notify Director in writing.

46. MAINTENANCE STANDARDS FOR SERVICE DELIVERY SITES: Contractor shall assure that all locations where services are provided under this Agreement are operated at all times in accordance with all County community standards with regard to property maintenance and repair, graffiti abatement, refuse removal, fire safety, landscaping, and in full compliance with all applicable local laws, ordinances, and regulations relating to the property. County's periodic monitoring visits to Contractors' facility(ies) shall include a review of compliance with this Paragraph 46.

3 Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

4 B. Termination for Breach of Warranty to Maintain Compliance with County's Child  
5 Support Compliance Program: Failure of Contractor to maintain compliance with the requirements set  
6 forth in Subparagraph A (Contractor's Warranty of Adherence to County's Child Support Compliance  
7 Program) shall constitute default under this Agreement. Without limiting the rights and remedies  
8 available to County under any other provision of this Agreement, failure of Contractor to cure such  
9 default within 90 calendar days of written notice shall be grounds upon which County may terminate  
10 this Agreement pursuant to Paragraph 33 (TERMINATION FOR DEFAULT) and pursue debarment of  
11 Contractor, pursuant to County Code Chapter 2.202.

12 49. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT: Contractor  
13 shall notify its employees, and shall require each subcontractor to notify its employees, that they may  
14 be eligible for the federal Earned Income Credit under the federal income tax laws. Such notice shall be  
15 provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

16 50. USE OF RECYCLED-CONTENT PAPER PRODUCTS: Consistent with the Board of Supervisors'  
17 policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to  
18 use recycled-content paper to the maximum extent possible on the Project.

19 51. CONTRACTOR RESPONSIBILITY AND DEBARMENT: The following requirements set forth in  
20 the County's Non-Responsibility and Debarment Ordinance (Title 2, Chapter 2.202 of the County Code)  
21 are effective for this Agreement, except to the extent applicable State and/or Federal laws are  
22 inconsistent with the terms of the Ordinance.

23 A. A responsible Contractor is a Contractor who has demonstrated the attribute of  
24 trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the  
25 contract. It is the County's policy to conduct business only with responsible contractors.

26 B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County  
27 Code, if the County acquires information concerning the performance of the Contractor on this or other  
28 Agreements which indicates that the Contractor is not responsible, the County, may, in addition to  
29 other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being  
30 awarded, and/or performing work on County Agreements for a specified period of time not to exceed 3  
31 years, and terminate any or all existing Agreements the Contractor may have with the County.

32 C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion,  
33 that the Contractor has done any of the following: (1) violated a term of an Agreement with the County  
34 or a nonprofit corporation created by the County, (2) committed an act or omission which negatively  
35 reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any  
36 other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice

1 which negatively reflects on same, (3) committed an act or offense which indicates a lack of business  
2 integrity or business honesty, or (4) made or submitted a false claim against the County or any other  
3 public entity.

4 D. If there is evidence that the Contractor may be subject to debarment, the Department  
5 will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and  
6 will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing  
7 Board.

8 E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed  
9 debarment is presented. The Contractor and/or the Contractor's representative shall be given an  
10 opportunity to submit evidence at the hearing. After the hearing, the Contractor Hearing Board shall  
11 prepare a tentative proposed decision, which shall contain a recommendation regarding whether the  
12 Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The  
13 Contractor and the Department shall be provided an opportunity to object to the tentative proposed  
14 decision prior to its presentation to the Board of Supervisors.

15 F. After consideration of any objections, or if no objections are submitted, a record of the  
16 hearing, the proposed decision any other recommendation of the Contractor Hearing Board shall be  
17 presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny  
18 or adopt the proposed decision and recommendation of the Hearing Board.

19 G. These terms shall also apply to subcontractors of County Contractors.

20 52. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM:

21 Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from  
22 providing services under any health care program funded by the Federal government, directly or  
23 indirectly, in whole or in part, and that Contractor will notify the Director within 30 calendar days in  
24 writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from  
25 participation in a Federally funded health care program; and (2) any exclusionary action taken by any  
26 agency of the Federal government against Contractor or one or more staff members barring it or the  
27 staff members from participation in a Federally funded health program, whether such bar is direct or  
28 indirect, or whether such bar is in whole or in part.

29 There are a variety of different reasons why an individual or entity may be excluded from  
30 participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in  
31 other cases the Office of Inspector General (OIG) has the discretion not to exclude.

32 The mandatory bases for exclusion include: (1) felony convictions for program related crimes,  
33 including fraud or false claims, or for offenses related to the dispensing or use of controlled substances,  
34 or (2) convictions related to patient abuse.

35 Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or  
36 financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to

1 provide access to documents or premises as required by federal health care program officials; (4)  
2 conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about  
3 the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to  
4 practice a health care profession; (7) default on a student loan given in connection with education in a  
5 health profession; (8) charging excessive amounts to a Federally funded health care program or  
6 furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9)  
7 paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded  
8 entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities  
9 which are owned and controlled by excluded individuals can also be excluded.

10 Contractor shall indemnify and hold County harmless against any and all loss or damage County  
11 may suffer arising from any Federal exclusion of Contractor or its staff members from such  
12 participation in a Federally funded health care program. Contractor shall provide the certification set  
13 forth in Attachment VI as part of its obligation under this Paragraph 52.

14 Failure by Contractor to meet the requirements of this Paragraph 52 shall constitute a material  
15 breach of contract upon which County may immediately terminate or suspend this Agreement.

16 53. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY  
17 EXCLUSION - LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART 76): The Contractor hereby  
18 acknowledges that the County is prohibited from contracting with and making sub-awards to parties  
19 that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred,  
20 ineligible, or excluded from securing federally funded contracts. By executing this Agreement,  
21 Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals  
22 is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts.  
23 Further by executing this Agreement, Contractor certifies that, to its knowledge, none of its  
24 subcontractors, at any tier, or any owner, officer, partner, director or other principal of any  
25 subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded  
26 contracts. Contractor shall immediately notify County in writing, during the term of this Agreement,  
27 should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or  
28 excluded from securing federally funded contracts. Failure of Contractor to comply with this provision  
29 shall constitute a material breach of this Agreement upon which the County may immediately terminate  
30 or suspend this Agreement.

31 54. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT:

32 A. The parties acknowledge the existence of the Health Insurance Portability and  
33 Accountability Act of 1996 and its implementing regulations ('HIPAA'). Contractor understands and  
34 agrees that it is a 'Covered Entity' under HIPAA and, as such, has obligations with respect to the  
35 confidentiality, privacy and security of patients' medical information, and must take certain steps to  
36 preserve the confidentiality of this information, both internally and externally, including the training of

1 staff and the establishment of proper procedures for the release of such information, including the use  
2 of appropriate consents and authorizations specified under HIPAA.

3 B. The parties acknowledge their separate and independent obligations with respect to  
4 HIPAA, and that such obligations relate to *transactions and code sets, privacy, and security*.  
5 Contractor understands and agrees that it is separately and independently responsible for compliance  
6 with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on  
7 Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice  
8 or other representations with respect to Contractor's obligations under HIPAA, but will independently  
9 seek its own counsel and take the necessary measures to comply with the law and its implementing  
10 regulations.

11 C. Contractor and County understand and agree that each is independently responsible for  
12 HIPAA compliance and agree to take all necessary and reasonable actions to comply with the  
13 requirements of the HIPAA Law and implementing regulations related to Transactions and Code Sets,  
14 Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party  
15 (including their officers, employees, and agents), for its failure to comply with HIPAA.

16 55. COMPLIANCE WITH JURY SERVICE PROGRAM:

17 A. Jury Service Program: This Agreement is subject to the provisions of the County's  
18 Ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections  
19 2.203.010 through 2.203.090 of the Los Angeles County Code.

20 B. Written Employee Jury Service Policy:

21 (1) Unless Contractor has demonstrated to the County's satisfaction either that  
22 Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the  
23 County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section  
24 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that  
25 its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular  
26 pay for actual jury service. The policy may provide that Employees deposit any fees received for such  
27 jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees  
28 received for jury service.

29 (2) For purposes of this Section, "Contractor" means a person, partnership,  
30 corporation or other entity which has an Agreement with the County or a subcontract with a County  
31 Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month  
32 period under one or more County Agreements or subcontracts. "Employee" means any California  
33 resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per  
34 week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as  
35 determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number  
36 of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less

1 within a 12-month period are not considered full-time for purposes of the Jury Service Program. If  
2 Contractor uses any subcontractor to perform services for the County under the Agreement, the  
3 subcontractor shall also be subject to the provisions of this Section. The provisions of this Section  
4 shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be  
5 attached to the Agreement. If Contractor uses any subcontractor to perform services for the County  
6 under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The  
7 provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury  
8 Service Program shall be attached to the Agreement.

9 (3) if Contractor is not required to comply with the Jury Service Program when the  
10 Agreement commences, Contractor shall have a continuing obligation to review the applicability of its  
11 "exception status" from the Jury Service Program, and Contractor shall immediately notify County if  
12 Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if  
13 Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall  
14 immediately implement a written policy consistent with the Jury Service Program. The County may  
15 also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate  
16 to the County's satisfaction that Contractor either continues to remain outside of the Jury Service  
17 Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the  
18 Program.

19 (4) Contractor's violation of this section of the Agreement may constitute a  
20 material breach of the Agreement. In the event of such material breach, County may, in its sole  
21 discretion, terminate the Agreement and/or bar Contractor from the award of future County  
22 Agreements for a period of time consistent with the seriousness of the breach."

23 56. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The  
24 Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and  
25 provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in  
26 Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in  
27 Attachment VII of this Agreement and is also available on the Internet at [www.babysafela.org](http://www.babysafela.org) for  
28 printing purposes.

29 57. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY  
30 SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on  
31 the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the  
32 County's policy to encourage all County Contractors to voluntarily post the County's "Safely  
33 Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The  
34 Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in  
35 the subcontractor's place of business. The County's Department of Children and Family Services will  
36 supply the Contractor with the poster to be used.

58. **NOTICES:** All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be hand delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. ### **What is the Safely Surrendered Baby Law?**

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

### **How does it work?**

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

### **What if a parent wants the baby back?**

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

### **Can only a parent bring in the baby?**

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

### **Does the parent have to call before bringing in the baby?**

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

### **Does a parent have to tell anything to the people taking the baby?**

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

### **What happens to the baby?**

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

### **What happens to the parent?**

Once the parent(s) has safely turned over the baby, they are free to go.

### **Why is California doing this?**

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

### **A baby's story**

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

---

---

**Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.**

*It is best that women seek help to receive proper medical care and counseling while they are pregnant. ### **¿Qué es la Ley de Entrega de Bebés Sin Peligro?**

### **¿Qué pasa si el padre/madre desea recuperar a su bebé?**

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

### **¿Sólo los padres podrán llevar al recién nacido?**

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

### **¿Los padres deben llamar antes de llevar al bebé?**

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

### **¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?**

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

### **¿Qué ocurrirá con el bebé?**

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

### **¿Qué pasará con el padre/madre?**

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

### **¿Por qué California hace esto?**

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provocó la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

### **Historia de un bebé**

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

---

**Cada recién nacido merece una  
oportunidad de tener una vida saludable.  
Si alguien que usted conoce está pensando  
en abandonar a un recién nacido, infórmele  
qué otras opciones tiene.**

---

*Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.*
